Transport Infrastructure Ireland  
Section 22 Report for 2021

June 2022

## Annual Report of the National Roads Authority, operating as Transport Infrastructure Ireland, required under Section 22 of the Protected Disclosures Act 2014.

Transport Infrastructure Ireland (TII) received two disclosures, which were treated as potential Protected Disclosures under Section 6 of the Act, in the reporting period up to 31<sup>st</sup> December 2021.

Relevant staff of TII undertook appropriate investigations of the matters involved. One of the disclosures was made anonymously and TII enquiries found no evidence in relation to the claim made in that case, however an assessment of the risk of such an incident occurring was undertaken and appropriate controls identified. In respect of the other disclosure, most issues have been resolved with some further enquiries ongoing.
